Please be courteous of all exhibitors. Have your horses ready and at the gate when your class is called. If you know you need extra time for a tack change (5 minutes), fill out the Tack Hold Form and give it to the Gate Steward at the start of the division.

## Notes to Exhibitors:

**Pre-registration:** Show management is asking that you be courteous of all exhibitors. In order to have the show run as smoothly as possible, we are asking you to please register in advance of the show. If we find we need more room, the show manager can request additional space two (2) weeks before the show. So, we need to have a very close count at that time.

**Adds/Scratches:** Show management requests that all adds and scratches be in the office not later than 6:00 pm each evening. This helps to prevent early-morning chaos in the office and allows the show to start promptly at 8:00 am each morning.

**Office Hours:** The show office will open at 7:00 am each morning and will remain open for 30 minutes after the last class of the day.

**Camping Permits:** No one may plug into RV electricity without purchasing a permit at the show office. Show management will check the RV parking area every morning in order to monitor that permits are visible.

**After Hours:** Please call 614-519-2912 (Lee Brackman) for assistance with camping or stalling issues after office hours. We will endeavor to resolve any issues as quickly as possible.

### **Emergency Numbers:**

Medical: Call 911

Blacksmith: Number available at show office

Veterinary: Animals Unlimited Veterinary Hospital, 740-286-8035

**Exhibitors and Spectators:** Intoxicated behavior by exhibitors or spectators on the showgrounds is strictly prohibited and the person or people exhibiting this behavior will be expelled from the showgrounds. Abusive behavior towards staff members or fellow exhibitors will be subject to removal from the show grounds. No refunds will be issued to those removed.

**Dogs:** All dogs in the horse area **MUST** be on a leash **OR THEY WILL BE ASKED TO LEAVE THE GROUNDS.**

**Warning:** Under the Ohio Equine Activity Liability Act, an equine professional is not liable of injury to or the death of a participant in an equine activity resulting from an inherent risk of the equine activity.

**Online Entries:** Online entries may be made on [www.gaitkeeper.com](http://www.gaitkeeper.com). If you are new to Gaitkeeper, you will need to first register. After logging in, click on the tab “Shows” and find the Buckeye Summer Classic show.

**Barn Rules:** Do Not staple to the stalls. Any damage done to the stall walls will be the responsibility of the exhibitor. Do Not tie horses to stall bars. Any damage done to the stall hardware will be the responsibility of the exhibitor. Action will be taken with the registry(ies) in the event of failure to compensate the facility for any damage incurred.

## We will be enforcing the 2-minute gate rule.

We will announce breaks at the beginning of each day for your convenience. Additional breaks may be added at the discretion of show management.

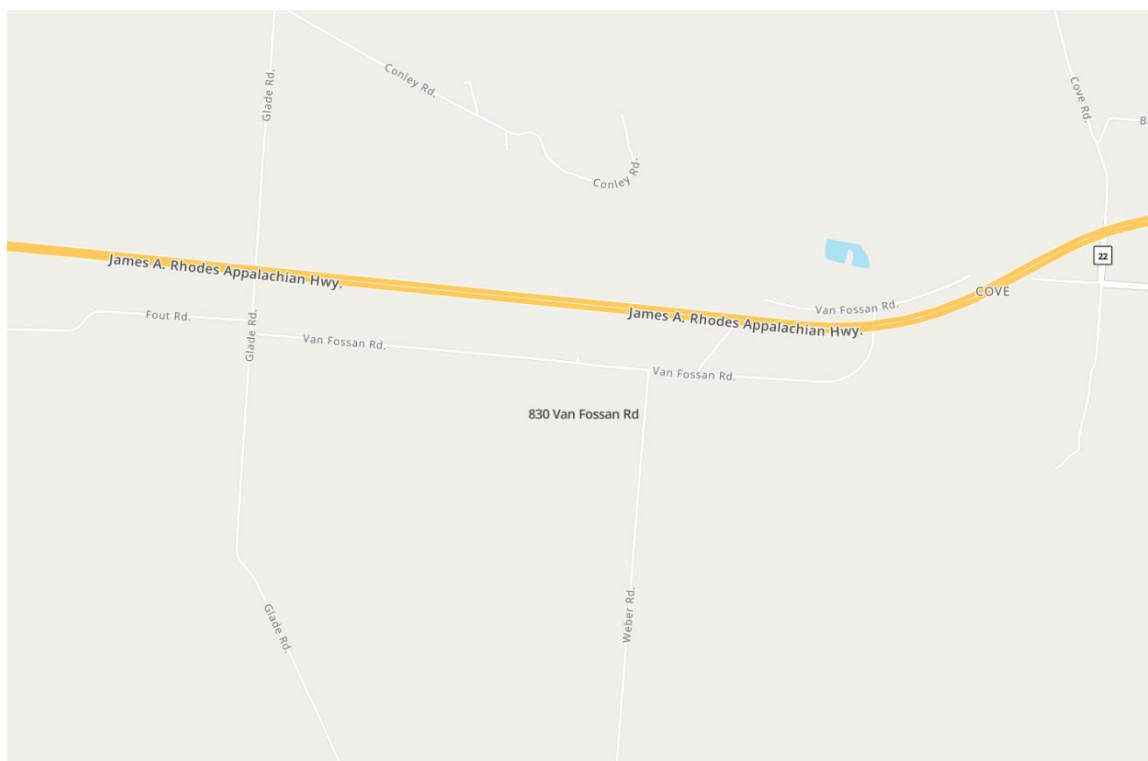

All dogs must be on a leash at all times and current on Ohio State Health Department requirements. This is a facility rule. No drugs or alcoholic beverages permitted.

Remember, if you travel across the Ohio state line, you will need to have a negative Coggins certificate and a Veterinary health certificate with you for each horse/pony you have onboard. Paperwork must be available upon request of the show manager.

For additional information please contact Sherri Jolliff, Show Manager.

STATEMENT OF RESPONSIBILITY AND LIABILITY

(This agreement MUST be signed before participation in this event)

This show is approved by and conducted by the following Rules-

Gypsy Vanners will abide by the GVHS Rule Set.

Drum horses will abide by the IDHA Rule Set.

By entering horses/ponies in this event, I hereby agree to abide and be bound by the above posted Rules and Regulations. I also agree to hold harmless the Management and Sponsors of the Show from all liability in case of accident, theft, injuries, illness or loss, either to myself or persons with me, or to any animal in my care, custody or control in any way associated with my participation in this event. Exhibitors found to be using prohibited veterinary substances will be subjected to dismissal from the remainder of the show and forfeiting of entry fees. Unruly horses as described below many also be subjected to dismissal from the remainder of the show and forfeiting of entry fees. Exhibitors are asked for the safety of others to obey the crowding policy.

**Drug Policy:**

Horses will possibly be subjected to drug testing. Positive drug tests will result in the immediate dismissal of the horse and the other horses in the group (either family or trainer) will be tested as well prior to being allowed into further classes. A drug policy form will be required to be signed prior to receiving back numbers.

**Unruly horse policy:**

Unruly horses, including behaviors such as kicking, mounting, striking, thrown riders, and other incidents will be subjected to pausing of the show until such time that management can determine the proper steps to follow for the safety of the fellow exhibitors, so that classes can safely resume. Minor bucking, snorting, ear pinning, etcetera can be signs of impending accidents and discretion should be used as to minimize potentially dangerous situations occurring. It is recommended that stud chains over the nose be used on stallions in common areas. Caution should be used with stallions and mares in heat, particularly in close quarters and mixed sex classes.

**Crowding policy:**

Management will be asking exhibitors to not congregate in high traffic common areas, such as the entry gate. Management may also ask for fewer horses to be in the make-up ring if crowding is deemed to be a safety issue.
